

DID YOU KNOW . . .

That the Atlanta Journal Constitution (AJC) reported on Jan. 6 that Cobb EMC CEO Dwight Brown was indicted on 31 charges including racketeering and theft?

DID YOU KNOW . . .

That the AJC and the Marietta Daily Journal reported that the indictment of Cobb EMC CEO Dwight Brown includes charges related to the creation and operation of Cobb Energy? That the theft includes the theft of MILLIONS of dollars from the member-owned EMC ?

DID YOU KNOW . . .

That Cobb EMC CEO Dwight Brown signed the original air permit application for Power4Georgians' Plant Washington Coal fired power plant as "Management Committee Member"?

DID YOU KNOW ...

That Cobb EMC CEO Dwight Brown filed the original corporation registration for Power4Georgians, signing as "organizer"?

DID YOU KNOW . . .

That Cobb Energy subsidiaries include Allied Energy Services, headed by Dean Alford, who is also the developer and spokesperson for Power4Georgians' Plant Washington?

DID YOU KNOW . . .

That WASHINGTON COUNTY CAN DO BETTER THAN THIS??!!!!

Tell the Washington EMC and our county leaders that Plant Washington isn't a done deal, and we don't do business this way. Check the FACE web site at <http://faceenvironment.org> to support our work and get updates throughout the week.
